TRAINING: I understand that membership of West Yorkshire Group RoADAR does not guarantee that advanced driving or riding tuition will be provided immediately. I understand that there may be a waiting list for tuition and that I will be allocated a tutor as and when they become available.

After the course completion, tuition can also be provided for the alternate section so to also work towards both qualifications (extra subs apply). Please contact your existing training officer for details.

It is advised if you are wanting both car and motorcycle training, you complete one at a time.
